## SERVICES AVAILABLE

In coordination with your physician we at **Assured Home Healthcare, Inc.** can provide the following services at home.

### SKILLED NURSING

**A registered nurse coordinates care, oversees the patient's progress, and helps the patient and caregivers understand:**

- Stages of illness and recovery
- Safe administration of medication
- Importance of healthy diet
- Recognition of symptoms in recurring illness
- Understand patient's rights and advance directives

**Our registered nurses also provide skilled nursing care in the following areas:**

- Post-Surgical Care
- Wound care
- Ostomy Care
- Intravenous Infusion
- Tracheostomy
- Venipuncture (per MD's order)
- Foley Catheter Care and Insertion
- HIV-Aids related illness

### HOME HEALTH AIDE SERVICES

State certified nurse assistants are trained to assist patients with personal care and activities of daily living, hygiene and grooming.

## REHABILITATION SERVICES

### **Physical, Occupational, and Speech Therapy**

Therapy includes evaluations, on-site caregiver instructions, home assessments, and exercise programs.

### MEDICAL SOCIAL SERVICES

A medical social worker helps patients and their significant others with social and emotional difficulties which may result from illness. The medical social worker helps patient and caregiver with community resources, such as meal delivery, transportation, finance and other services.

### MEDICAL EQUIPMENT

**Assured Home Healthcare, Inc.** can assist for rental or purchase of wheelchairs, walkers, special beds, or any assistive devices necessary.

All personnel are carefully chosen to ensure high standards of care. All services are personalized to meet the patient's needs.
